

# COMSIT

CLOSE THE LOOP - REDUCE CO2

## SOLUTIONS

# CONSULTING & SUPPLY MANAGEMENT

# CONSULTING & SUPPLY MANAGEMENT

- ❖ Over 30 years of experience in supply chain analysis
- ❖ Personal consulting and analysis of your "supply chain needs" based on vertical and horizontal supply chains
- ❖ Evaluation & central summary of all available data
- ❖ Optimization & auditing of your supply sources
- ❖ Conceptual improvement & evaluation of existing suppliers
- ❖ Increase of efficiency & cost reduction
- ❖ More sustainability on different levels - energy, CO2, raw materials
